EXAMINER'S AMENDMENT

Applicant's amendments filed January 26, 2005 have been entered.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Gregory Houghton on APRIL 26, 2004.

The application has been amended as follows:

Please replace the claim 20 with the following:

Claim 20. (Currently amended) A pharmaceutical kit comprising (A) as defined in claim 1 and (B) as defined in claim 1 in separate unit dosage forms, said forms being suitable for administration of (A) and (B) in effective amounts, together with one or more inhalation devices for administration of (A) and (B), wherein the weight ratio of (A) to (B) is from 1:2 to 1:100.

The following is an examiner's statement of reasons for allowance: The claims are directed to the specific range of weight ratio of (A) to (B) as from 1:2 to 1:100. Unexpected benefits are demonstrated in declaration by Dr. Fromond filed April 5, 2002 in the parent application 09/942,805. Since the showings in the declaration are commensurate with the scope of the subject matter claimed, the rejection under 35 USC 103(a) set forth in the previous office action mailed December 13, 2004 is withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to San-ming Hui whose telephone number is (571) 272-0626. The examiner can normally be reached on Mon 9:00 to 1:00, Tu - Fri from 9:00 to 6:00.
